

KAVEH GLASS INDUSTRIAL GROUP

GLASS BOTTLE & JAR MANUFACTURING

MISSION

“Commitment to Excellence “ is the fundamental to who we are as an organization. The KGG president and board of directors have pledged to provide and deliver quality products to ensure the highest level of customer satisfaction and fulfill our customer’s expectations.

KGG is constantly innovating to make homes and businesses more comfortable and cost-efficient and meet the growing demand of domestic and international market.

VISION

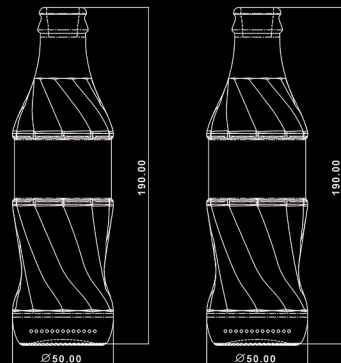

“Growing and looking beyond “ lies at the heart of every single member of **Kaveh** nation. This concept as well as respect for environment and social responsibility has been the president and board of director's chief policy over the years and Kaveh shall continue to shape the future of its organization with sound investment in its work force and innovations to help and meet the challenges of coming decades.
